4. CONFIGURANDO EL CAPSULE

CAPSULE

PASO 1: CONEXIÓN DEL CAPSULE A TU PC

Capsule incluye un cable USB-C para conectar el micrófono directamente a la entrada USB de tu PC.

- ① Inserta el cable USB-C en el puerto USB-C del micrófono.
- ② Inserta el extremo opuesto del cable en tu PC.

Al conectar el cable al PC, la unidad comenzará a suministrarse de energía. La unidad se encenderá y comenzará automáticamente a instalar Capsule.

⚠ IMPORTANTE

- Mantén el cable USB insertado completamente en el conector que se encuentra en la parte posterior del micrófono para su correcto funcionamiento. Un cable mal conectado puede causar acoples u otras interferencias.

PASO 2: CONECTA LOS AURICULARES

Encontrarás una toma de salida de auriculares de 3,5 mm en la base del micrófono. Inserta tus auriculares de 3,5 mm en esta toma.

IMPORTANTE

- Para el correcto funcionamiento del Capsule asegúrate de que el cable esté insertado completamente en la toma de auriculares de 3,5 mm.

PASO 3: AJUSTE EL AUDIO:

- Abre tus opciones de sonido o pulsa el botón derecho del ratón en el icono de audio que se encuentra en la parte inferior de la barra de tareas.
- Pulsa en la opción de «**Dispositivos de reproducción**».
- Selecciona «**Altavoces**» o (Salida). Debajo del icono del altavoz debería aparecer «**NZXT USB MIC**»
- Selecciona «**Dispositivo predefinido**»
- Pulsa en la pestaña «**Grabación**» (o Entrada).
- Pulsa en «**Dispositivo de comunicación predefinido**»
- Selecciona «**NZXT USB MIC**»

PASO 4: CONEXIÓN DEL NZXT CAPSULE AL NZXT BOOM ARM:

El Boom Arm tiene rosca para conexiones de 3/8" macho.

- Si utilizas el micrófono USB NZXT Capsule, inserta el adaptador de rosca incluido de 1/4" macho a 3/8" hembra en la parte inferior del micrófono y luego conecta el micrófono al adaptador en el extremo macho de 3/8" del Boom Arm.

5. CONTROLES PRINCIPALES

CAPSULE

ANILLO LED

El anillo LED de la parte inferior del Capsule indica los diferentes estados de las funciones del dispositivo.

Cuando se ilumina en blanco = el micrófono está activado y habilitado para grabar. El dispositivo ahora captará tu voz y reproducirá los sonidos de su PC.

Cuando se ilumina en rojo = el micrófono está en modo silencio. El dispositivo no captará tu voz, pero podrás seguir escuchando los sonidos que provienen de tu PC.

GANANCIA DEL MICRÓFONO

La ganancia del micrófono controla el nivel de sensibilidad de la cápsula del micrófono. Gira en el sentido de las agujas del reloj para aumentar la sensibilidad de entrada, y en sentido contrario para disminuirla. Verifica los niveles de entrada de tu software de grabación/transmisión para asegurarte de que tu voz está siendo capturada al nivel de sensibilidad deseado. Si el medidor cambia a la luz roja, gira el botón de ganancia del micrófono ligeramente en sentido contrario a las agujas del reloj hasta que el medidor cambie a verde.

Para silenciar la entrada de micrófono, pulsa el botón de ganancia del micrófono. El anillo LED en la parte inferior de Capsule cambiará de blanco a rojo. Para desactivar el modo silencio, pulsa el botón de ganancia del micrófono nuevamente y el anillo LED cambiará de rojo a blanco.

VOLUMEN DE AURICULARES

La salida de auriculares permite controlar el volumen de los auriculares conectados al micrófono USB. Gira en el sentido de las agujas del reloj para aumentar el volumen y en sentido contrario para disminuirlo.

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT's reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.

V. LIMITATIONS OF IMPLIED WARRANTIES

Here are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner's manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization "RMA" request.

Once approved, you'll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.

VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT's liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

- For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - › Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - › Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - › Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

- If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.
